## WebCam 130 AF

### Razor-sharp Pictures at Any Time

Issue June 2008

Pages 2

The WebCam 130 AF is the perfect multimedia accessory for ambitious customers. With its high quality CMOS sensor the WebCam is the first choice for Voice over IP applications. Experience the brilliant pictures for video chats and video conferencing.

Additionally, the camera has a Business Card Recognition software. You can attach the WebCam on a display as well as on a notebook.

- Latest autofocus liquid lens - noiseless and power saving
- Best video quality with 1.3-megapixel CMOS
- Business Card Recognition (BCR) software for 9 languages (DE, ES, FR, EN, HU, IT, NL, PL & RU)
- Built-in microphone for excellent sound while chatting
- Innovative LED lighting for notebook keyboard
